

# **LILLI PILLI FC**

**Round:**

**Team Name:**

**Ground Control**

**at**

**Glenn McGrath Oval No.3**

**Fields A-F**

**on a Saturday**

**Under 6,7,& 8 Roo Ball Teams Teams**

**Notes/Variations:**

Glenn McGrath Oval No.3  
(Six small fields located on main ground)

Each round two teams will be rostered on duty at Glenn McGrath Oval No 3.

One team for AM Duty (Set Up all small fields) - 7:00am approx. (depending on draw)

One team for PM Duty (Pack Up all small fields) - approx 3:00 pm (depending on draw)

### **Set Up Reminders**

\* **At least one adult should be rostered for both Set Up & Pack Up Duties**

\* A Committee member will be rostered on 'Open Duty' at Glenn McGrath Oval 3 to monitor Set Up only.

\* New Roo Ball "Pop Up" goals are now available for use. They are located in the Showers Room next to the equipment room. Posts and sandbags are also stored in Showers Room.

\*All fields need to be set up. This involves placing a "Pop Up" goal at each end of the fields. A small sand bag can be placed at the rear of the goals.

\*Corner posts and half way posts also to be placed in each field.

\* Glenn McGrath No 3 fields are line marked by the Council Groundsman.

\* Please check the field and surrounding areas for 'foreign' objects such as glass or bottles prior to the start of the first match.

\* **Please check if any other teams need help setting up fields on Glenn McGrath 1 or 2.**

### **GROUND CONTROL**

#### **Team Responsibilities**

\*It is the responsibility of every Lilli Pilli team playing at home to provide a designated "Ground Controller" for each ground in operation. Therefore, each team's Manager must appoint an adult as their own Ground Controller for each match. This person is to remain at their own field at all times during their match. The person must be clearly visible and wear the official Ground Control jacket, available from the canteen. The Ground Controller will ensure that all players and spectators follow accepted standards of behaviour and that spectators do not encroach onto the playing field during matches. No person can be both Ground Controller and Manager at any one time.

\* At the completion of their game, the Manager will then hand the Ground Control Jacket to the Manager of the team playing the next game. The manager of the final game of the day will then return the Ground Control Jacket to the Canteen/Ground Control Area.

#### **Venue Responsibilities**

\*There are **no rostered** Venue Supervision Ground Control Duties allocated Under 6,7 or 8 Teams.

#### **Canteen**

\* The Canteen is operated by the U10s to U15s team/s allocated to Ground Control for Glenn McGrath Oval No 1.

#### **Pack Up Reminders**

\* A Committee member will be rostered on 'Close Duty' at Caringbah to monitor Pack Up only.

\* The "Pop Up" goals and all other equipment need to be packed up and stored neatly in the Showers Room (next to the equipment room).

- \* **Please pick up any rubbish left lying around the Canteen, playing field or spectator areas.**
- \* All doors and gates need to be closed and locked. (shower room, equipment room, canteen, toilets)

**Thank you for your help with the efficient organisation of our Club ! If you have any suggestions which may improve our organisation for Set Up, Ground Control, Canteen or Pack Up please let us know !**
